DIRECTOR'S REPORT

The directors of **Security Investment Bank Limited** (the Company) are pleased to present the Financial Statements of the Company for the quarter ended 30 September 2025.

Overall improvement in economic outlook, with expected growth reaching 2.8pc in 2025 and 3.3pc in 2026. Alongside country's inflation rate dropped to single digits, as price increases for food and energy eased. However, disruption to food supply chains due to ongoing catastrophic floods is expected to push inflation up. However, the ongoing uncertainty around global trade tariffs continues to influence monetary policy, reinforcing the need for a cautious stance.

Economic conditions in Pakistan will remain challenging, with high debt obligations, inflation, and political instability posing significant risks. Structural reforms, including improvements in tax collection, investment in energy infrastructure, and enhancing the business climate, are necessary for sustainable long-term growth.

SBP, Monetary Policy Committee (Committee) reviewed its policy frequently to take appropriate action towards supporting growth. The Committee considered that inflation remained relatively moderate, whereas core inflation continued to decline at a slower pace. However, the near-term macroeconomic outlook has deteriorated slightly in the wake of the ongoing floods. Meanwhile, economic growth is projected to moderate as compared to the previous assessment, therefore decided to keep the policy rate unchanged at 11%. During the quarter under review, the Pakistan Stock Market (KSE100) registered sharp increased and KSE 100 index posted at 165,493 points in September, 30 2025 compared to 124,379 points as of 30 June 2025

Business Performance Review

Alhamdulillah, your company posted profit from its operation Rs. 27 million for the quarter ended 30 September 2025 while gain on revaluation of assets comprising Rs. 18 M as compared to operating profit before taxes Rs. 69 million of the corresponding period. Your Company's EPS was Rs. 0.448 compared to Rs. 0.917 of the corresponding period.

The board wishes to place on record the gratitude to Pakistan Stock Exchange and Securities and Exchange Commission of Pakistan for their continued valued support, assistance and guidance. The board would also like to thank untiring efforts of the Management and staff.

On behalf of the Board
